Message

I am glad to know that Odisha Voluntary Health Association (OVHA), Bhubaneswar is bringing out its Annual Report for the year 2013-14.

The Report containing valuable information and facts is useful. However, some useful informations and facts should be explained to people in rural and tribal areas in their own language. Awareness and involvement of people is the key to success of different schemes and programmes.

I wish the publication all success.

Message

I am glad to know that Orissa Voluntary Health Association is going to publish its 40th Annual Report for the year 2013-14. The Annual report of any organisation is the mirror of that organisation. OVHA, dedicated for making Health a reality for the people of the State, may carry out their plan and programmes with more sincerity and dedication.

Wish the publication of Annual Report 2013-14 a success.

Message

I am happy to know that the Odisha Voluntary Health Association (OVHA) is going to publish his 40th Annual Report for the year 2013-14 which will support and enrich the attention of the grass root level volunteers working in the community for development of health sector.

Also extend my best wishes to all members of Odisha Voluntary Health Association.

(Prof. Bijayeeni Mohapatra)

Dr. C.R. Nayak

Director of Health Services, Odisha

Message

OVHA is a secular, non-political and non-profit making oldest and largest federation Under Societies Registration Act of 1860 (Act XXI) in the State of Odisha and it has been in operation since 1974. This Association supported to the Government and other agencies in implementing necessary Health Programmes in the State of Odisha at the time of need.

It gives me immense pleasure to learn that 'Odisha Voluntary Health Association (OVHA)' is going to publish its 40th Annual Report for the year 2013-14. A souvenir is being brought out to commemorate the prestigious event.

I extend my warm greetings and best wishes to the joyous occasion and wish the publication of the Souvenir as well as the function all success.

(Dr. Chittaranjan Nayak)

Message

For more than four decades now, Odisha Voluntary Health Association is contributing significantly to the health and well being of the people of Odisha in many ways.

Their effort in strengthening the voluntary movement in Odisha has been significant. People also recollect Odisha VHA's commendable work during natural disasters.

All these has been possible due to active participation of its' Members, Staff and of course, the Governing Body. We are confident that in future, Odisha VHA will play a significant role in improving health and well being of the people of Odisha in active collaboration with the State Government.

VHAI and its Members convey their best wishes to everybody associated with Odisha VHA on the happy occasion of bringing out its' 40th Annual Report.

(Alok Mukhopadhyay)
Chief Executive

FOREWORD

We have been embodied with our rights to live, to nurture, to flourish in the present environmental context as the largest evolving species on the Earth crust, and all these phenomenal events have been cross linked with Health. Without a healthier body our functioning would come to a halt. So living a healthier life is every individual's right.

Health is an issue that needs to be given utmost importance, as being a tropical country India has always been vulnerable to various diseases. In context of Odisha, health issues have always augmented the pain and pangs of the poor. It has traumatised our people financially, physically and mentally and since last 40 years, OVHA has been trying to bridge this gap by offering health benefits and providing health security to thousands of people of our state those are in dire need of it.

It is a matter of great pleasure for me being the part of this largest and oldest federation of Odisha and as the President of this organisation I wish my colleagues all the best in their endeavours.

John F. Kennedy, the former President of USA, once stated that "Physical fitness is not only one of the most important keys to a healthy body , it is the basis of dynamic and creative intellectual activity." We, in our deep senses, truly believe this, as health is the Eco tone of one's survival. Let us all be the chain of inspiration for each other in achieving the goals we have set forward for the deprived and less-privileged.

Mr. Ranjan Kumar Mohanty
President

PREFACE

It is said that "Suffering is Universal. One can overcome it with Compassion, by freeing oneself of anger, discontent & despair. Another year 2013 – 2014 with Odisha VHA experiencing all mixed incidents & occasion with full of hope & prosperity for the people of Odisha through the Voluntary Sector of the state & particularly the member organizations of OVHA. All Voluntary Organisations are the Non-Government organizations but not the reverse. Those who are directly concerned, are yet to understand the dynamics of NGO sector & Voluntary Sector and even Non-Government Organisations & Voluntary Organisations. Time has come to uplift & restore the spirit of Volunteer, Voluntarism, Voluntary Organisation & Voluntary Sector. The Sanctity must be maintained at any cost keeping aside & even ignoring the exceptions as it is general in each & every aspect of the whole system. Injustice anywhere is a threat to injustice everywhere.

With the Goal of Health for All & All for Health, OVHA as a state Level Federation in its 41st year of existence targeted to reach every Gram Panchayat of the state by reaching all the 314 blocks of the state through its esteemed member organizations those who have spread over in all the 30 districts of Odisha. As health can not be taken up as a priority in isolation, the other aspects like Education, Environment, Livelihood, Economic & other related aspects are taken together as a holistic approach for the state of Odisha, the member organizations, intellectuals & academics are very much associated with this federation for the overall coordination, Cooperation & Collaboration so that a all contributed, developed, better Odisha can be imagined in the near future.

So heartfelt thanks to all concerned with Odisha VHA for the year 2013 – 2014.

Kshyamakar Swain
Secretary, OVHA

From ED's Desk.....

“The doctor of the future will no longer treat the human frame with drugs, but rather will cure and prevent disease with nutrition.” Thomas Edison

Dear Friends

We have seen another interesting year of 2013-14. This year OVHA's achievements and its endless strife to give a better life to those vulnerable group who have been excluded from the mainstream of our society has been highlighted in the Annual report.

Over the years Orissa Voluntary Health Association (OVHA) has progressed and created a name for itself as the largest and oldest federation of voluntary organisations in Odisha. We believe in slow and steady progress without compromising with quality.

Since its inception in 1974, OVHA has seen many ups and downs. But we all are always united to overcome any barrier that comes our way. I take this opportunity to express my gratitude to all members and staff of OVHA family who put their heart and soul to achieve the Goal of OVHA i.e., **'Making Health a Reality for People of Odisha'**. Again I urge them to keep up the incredible work in years ahead. I hope this annual report presents a panoramic view of the year 2013 – 14.

Always we have to remember – *“It is difficult to reach the peak, but still more difficult to remain there for long”*. But with the support of my staff and all of You I am sure OVHA will march ahead to create milestones in the coming years.

We have a dream called 'VISION 2020' for OVHA. To materialize our dream into reality, I can say one sentence, *“The future belongs to those, who believe in the beauty of their dreams.”* We all have to strive hard to achieve perfection in our work so that our vision can no more remain as a distance dream for us. The word 'Perfection' includes a host of qualities combined into one. However, the three most important qualities are – care for the helpless, concern for the society and compassion for anyone in distress.

Before ending my words, I again express my heartiest gratitude to all of them who are the co-travelers in the journey of OVHA.

Dr. Dilip Kumar Samal
Executive Director

About OVHA

Orissa Voluntary Health Association (OVHA) has completed 40 years of service by 2014. It is a matter of great pleasure and honour for OVHA and its associated member organisation for their commitment and contribution in the field of health and allied field. Member organisations are proud to be a part of the largest network of health NGOs in Odisha. We all are working together to improve the health indicators of the state in the country. The task is gigantic. But we all as a committed group will carry forward our mission to see a better just society where all are accessible to health facilities in and around their habitat.

OVHA as an association is committed to make health a reality. To achieve this goal the association has not left any stone unturned. Starting from awareness generation, capacity building to service providers and distribution of IEC materials at all levels by direct intervention or facilitate the member organisation to carry out the activities. A special attention is given on spatial distribution of work. The association ensures quality intervention. In some cases the association also carries out the pilot projects to show it as models.

Our initiation is a particle of sand in the ocean of development. But we try to leave our imprint through our activities, which can be implemented and replicated elsewhere. We were working, are working and will work to achieve our predefined goal.

VISION

People of the state would be able to live a health and peaceful life that would base on 'growth with justice'. Peaceful community and family life would replace violence, misery, poverty, ignorance, illiteracy, gender inequality, diseases and infirmity. In fulfilling the needs of the people the scare natural resources would be effectively utilised and there would be continuous efforts to promote sustainable human development. Thus we can make health a reality for the people of Odisha.

MISSION

OVHA would strive hard to systematically convince the government and other agencies about the health needs of the communities. It would help support the government and other agencies in formatting and implementing necessary health programmes in state. It would also facilitate the planning, management and evaluation of health and development activities by the voluntary agencies particularly through the capacity building of NGO workers, sharing information and research findings and extending consultancy support. At the time of need it would also respond to the emergencies, like epidemics, calamities etc. In other words, OVHA would always be putting sincere efforts to promote the health status of the state.

GOAL

Making Health a Reality for the People of Odisha.

OBJECTIVE

To promote community health, social justice and human rights related to the provision and distribution of health care services to the under privileged and economically weaker section of the society. Some of the specific objectives are:

Specific Objectives

- i. To promote highest level of health care through the optimal use of available resources, coordination with government and all other agencies;
- ii. To promote greater cooperation among non-government organisations and international health agencies by undertaking joint community health and development work;
- iii. To collaborate with other health agencies working in the state to ensure conservation of resources and coverage of public health;
- iv. To affiliate with other like minded organisations;
- v. To collect, exchange and disseminate health information as well as to do research;
- vi. To conduct training programmes, seminars, workshops, conferences etc. related to health and development work;
- vii. To promote rational drug therapy;
- viii. To promote alternative system of health care;
- ix. To promote working with committed, dedicated, and interested people of good will of all religions and communities;
- x. To promote educational understanding in communities to improve the quality of their lives by development of local human and material resources;
- xi. To promote school health programme;
- xii. To present voluntary health services in different states, national and international level;
- xiii. To promote collective action for community health and development;
- xiv. To undertake any other act, which will promote health status of the state.

STRUCTURE OF OVHA

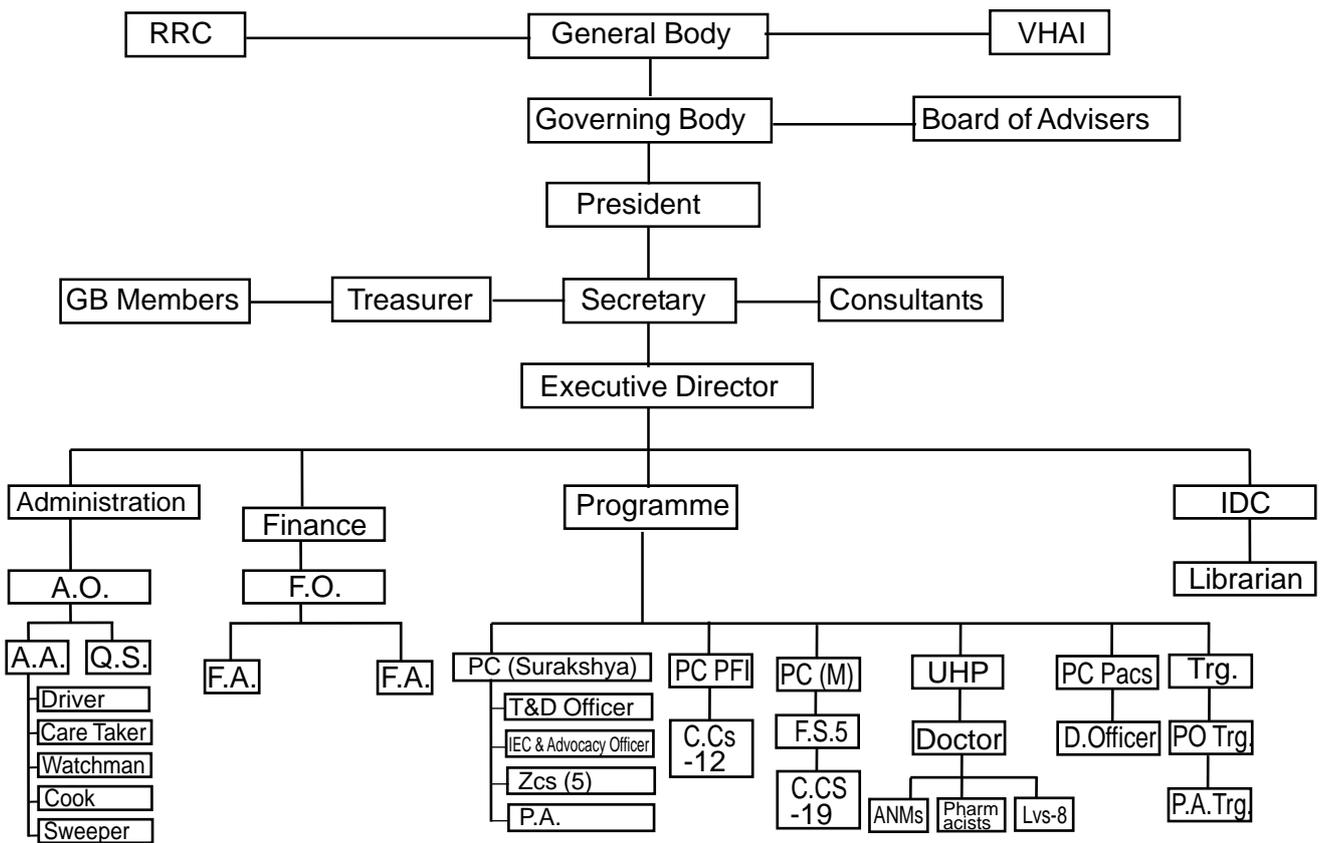

OVHA has two types of members, organisation members and Associate members, who untidily form the General Body, the highest decision making body of the organisation. The General Body members are eligible to cast their vote as secret ballot to elect 11 Governing Body members and the Executive Director as Ex-Officio member. The Governing Body elects the office bearers and really looks after the activities of OVHA, which is executed by the Executive Director. Executive Director is one of the key pin of the organisation and establish link between management and staff.

MEMBERSHIP

OVHA is consisting of two types of members like organisational members and associate members. A structured application form has been developed in due consultation with its members for membership of OVHA. After proper scrutiny of the documents and field appraisal, the Governing Body recommends the name of the organisations to General Body for induction in to OVHA as a member. In case of Associate members, individuals of reputation and expertise in the field of health and development are inducted as associate member of OVHA. The Annual membership fee is Rs.200/- for both categories. However, organisational members those who have completed three successful years of membership can also become Life Member by paying Rs.3,000/- only.

ORGANOGRAM OF OVHA

CHAPTER I

Health and Development Project

The thought of Health and Development Project in Kalahandi sprouted from the ground level reality that vulnerable and hard-to-reach communities have relatively limited access to health care services, information communication and other basic facilities and as a result they are the worst sufferers. This Programme is implemented by OVHA with the support of **Medecins du Monde (Mdm)** through VHAI.

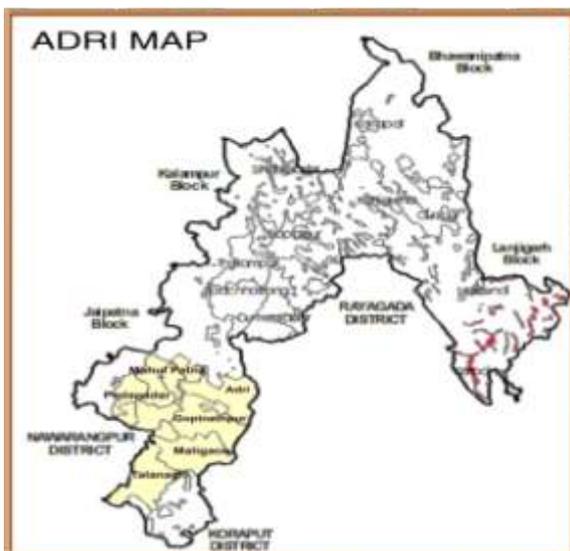

Objective: To provide an integrated range of quality health services to rural communities and involve different stakeholders in the process to create an environment of community ownership.

Area of Intervention: We work in the following 6 GPs of Thuamul Rampur Block of Kalahandi District of Odisha : Adri, Maligaon, Padepadar , Talanagi , Mahulpatna and Gopinathpur.

The total number of villages coming under the above said GPs is: 42

Activities

- ❖ Supply of essential medicines
- ❖ Review of MIS
- ❖ Disease Surveillance and Control of Epidemics
- ❖ Organization of Orientation training programme
- ❖ Conducting National Health Programmes
- ❖ Providing basic laboratory services
- ❖ Advocating for socio-economic determinants and health inequalities
- ❖ Conducting Monitoring and Supervision
- ❖ Managing record of vital events and reporting
- ❖ Development of village health plan
- ❖ Mobile Health Camp
- ❖ Provision of medical care

ACHIEVEMENTS IN A NUT SHELL:

- ▶ All the staff are in place and staying at Adri
- ▶ 24X7 Emergency services
- ▶ Ambulance service for referral cases : 24X7
- ▶ Out Reach Camps on the other side of the Reservoir and hard to reach areas under the PHC
- ▶ Increase in the treatment seeking attitude
- ▶ Epidemic has been controlled in time and no death case is found due to epidemic. About 60 numbers of cases were treated at difficult circumstances.
- ? Government ANM and AWW are now in place and staying
- ▶ CDMO has sanctioned one additional ANM for the Talnagi and Padepadar Area
- ▶ In 3 GPs i.e., Adri, Gopinathpur & Maligaon which are in close proximity to our PHC, the IRS (Indoor Residual spray) has not been done by Govt. because (API) Annual Parasite Incidence is less.
- ▶ No malaria death in our 6 Gps
- ▶ Very good rapport with block and district administration.
- ▶ Medicine mobilization: medicines have been mobilised from the Organisation , "SEBA SAMARPITA", Bhubaneswar through one Retd Headmaster who received President Award Sri Bhaskar Das and Dr. G.B. Pati.
- ▶ 30 numbers of blankets have been distributed among the distressed and destitute people of our intervention area.
- ▶ Dr Biswajit Sahoo the MO / IC of Thuamul Rampur has been awarded for highest number of family planning operation case in the district during the observation of population day fortnight ending on 24th June 2013. Where we were instrumental in mobilising cases from our Adri PHC area.

Efforts of our staff during emergency!!

CASE STUDY

Sincere effort never goes in vain

Our volunteer Mr Sudarsan Behera while organising the sensitization meeting for SHG members in D Cheptaghat village in Maligaon GP of Thuamul rampur Block in Kalahandi saw a lady carrying baby and the baby had a cotton cloth tied on his head. The baby was hardly 1 year old and was looking very pale. Since Mr Sudarsan has been working in health sector for the last 21 Years he could guess that the baby was really suffering from some disease. He initially started establishing rapport with the

mother by asking some informal questions and when the mother felt free, Mr Sudarsan asked her about the baby. The mother replied that for the last three days the baby was suffering from fever and they had put a paste prepared from some locally available roots on the head of the baby.

This shocked our volunteer that in 21st century also people are not going to hospital. He asked the mother why she did not take her child to the hospital. The mother very innocently replied that the hospital is far away from their home and there is no communication system. Moreover, both the father and mother had to go to forest to collect

forest produce for their livelihood.

It is a fact that the nearest hospital to that village is the PHC at Adri that is around 25km away from that village. The only communication is bicycle or they have to cover such a long distance by walking only. Still then seeing the gravity of the situation, our volunteer started convincing the mother about the safer side of taking to child to hospital. At last he could able to win over the heart of the mother and the child had been taken to PHC by his parents. After taking medicine the child gradually started recovering from fever after two days. Our volunteer also continued his follow up activity up on the baby.

Offering a helping hand

CHAPTER II ADRI PHC (N)

Public private partnership (PPP) has emerged as one of the important strategies for health sector reform in Odisha. Initiatives have been taken by National Rural Health Mission, Health and Family Welfare Department, Government of Odisha to undertake different PPPs in meeting the growing needs for health services and other national health programmes. With the support of the state government through VHAI, OVHA is managing the Adri PHC (N) under Public Private Partnership.

Achievements:

Repairing of the PHC Building:

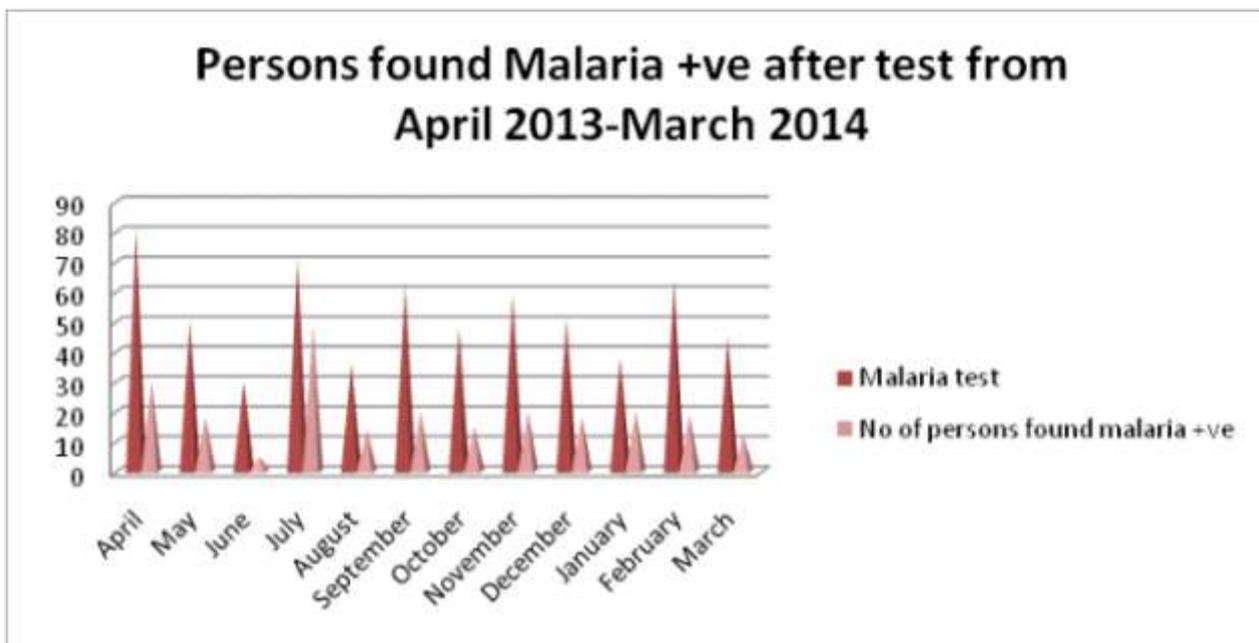

The PHC building was in deplorable condition and it was defunct. But repairing of the building was completed by end of April 2012.

Provision of medical care:

With an existing team of doctor, paramedics, health volunteers the project is able to provide preventive, curative and promotive health services. The OPD is functioning 24X 7 hours with alternative support of the Allopathic doctor, Ayurvedic doctor and other paramedics. Every day more than 40 patients from nearby villages are visiting to this health unit for treatment.

Providing basic laboratory services

In the PHC we have examined 635 numbers of slides for malaria. We also used RDK.

Mobilization of family planning cases:

18 numbers of family planning cases were mobilized to CHC Thuamul Rampur to opt permanent family planning i.e., tubectomy.

Referral Services:

We have a bolero which is branded as ambulance and it being used to carry patients to CHC Thuamul Rampur and DHH, Bhawanipatna carry critical patients. The number of patients referred from our PHC run as follows:

S.No	Month	Referral cases
1	April	10
2	May	6
3	June	7
4	July	5
5	August	9
6	September	11
7	October	10
8	November	12
9	December	7
10	January	8
11	February	6
12	March	10
	Total	101

RCH Mela:

In the RCH Melas which were organized twice in our intervention area around 500 patients were treated.

Focused Group discussion (FGD)

20 numbers of FGDs were done where people shared the health related problems of their respective localities.

- ? ♦ Community health problem
- ? ♦ Health infrastructure problem
- ? ♦ Service provider's problem

Observation of important days:

We have observed the following days to aware the people regarding various health related issues of that particular day.

- ? ♦ International Women's' Day
- ? ♦ World Tobacco Day
- ? ♦ World TB Day
- ? ♦ World AIDS day

ANC and Delivery:

Since there is no PHC building, therefore, there is no labour room as well for which we are unable to provide this service. But we have conducted two emergency deliveries in our PHC with lot of difficulties in late night. We are providing ANC and PNC to all mothers of our area.

CHAPTER III

POOREST AREA CIVIL SOCIETY PROGRAMME

Poorest Areas Civil Society (PACS) Programme envisages contributing towards the millennium development goal of poverty reduction world over by 2015, by working through civil society organizations in India on issues of governance, empowerment and entitlements of the poor.

The project aims to strengthen civil society organizations to work as effective catalysts, implementation agencies and nodal points for the convergence of backward and forward linkages to ensure the success of various anti-poverty programmes. With the support of the following member organisations OVHA is marching ahead in its effort:

Network partners

PACS encourages projects to collaborate with like-minded organisations to deliver the best results in the designated project area. These collaborations are called network projects. OVHA is implementing the project with the four network partners:

People's Organisation for Prosperity and Unity Legal Aid and Rights (POPULAR)

POPULAR, a civil society organisation headed by Ms. Sanjukta Pradhan at Malkangiri is a partner of OVHA to carry out the PACS programme in 30 villages falling under 4 GPs & 6 sub-centres under Padmagiri PHC. The Organisation is covering 3076 households to ensure 100% JSY coverage, all Institutional delivery, to improve the functioning of RSBY and MAMATA Yojana. The field presence of the organisation is well felt in the area and being visible to the district administration resulting an assignment by the collector to monitor VHND and ICDS services in the operational area. The Collector also was pleased to hand over the Govt. Quarter to the organisation for better field operation. The organisation also has empowered 30 Village Advocacy Committees to raise their voice for any gaps in the health delivery system.

Society for Rural Upliftment and Socio-technological Initiative (SRUSTI)

SRUSTI, an organisation based at Rajkhariar of Nuapada District having Mr. Biswajit Padhy as its Secretary working at Komna Block for 30 villages coming under 5 GPs covering a household of 3697. The society has strengthened 30 GKS, 15 WSHGs and 15 Balika Mandals in the theme of health. Though the topography is coming under difficult terrain & forest creates hindrance the mobility of Cluster Facilitators, they are tirelessly improving the health delivery system of the area. The organisation has succeeded to mobilise the media to cover the gaps in services. The workforce of SRUSTI has also mobilised the community leaders in raise their voices before the health administration.

Janakalyan Pratisthan (JKP)

The Organisation covers 60 villages of covering 8 GPs in 5 blocks of Sambalpur district. The organisation strongly believing gender equity and from the starting of operation of PACS, the workforce are all ladies. The DAC and 3 GPSCs are well acquainted with the operational area and striving hard to mobilise the community to demand their health rights for reduction of IMR & MMR. Their covering 5304 this much household and have formed 60 CBOS from the excluded groups to ensure health is a right of all.

Life Academy of Vocational Studies (LAVS)

Operational at Jharsuguda covering 5 blocks, 11 GPs, for 60 villages having 11130. Headed by Mr Akshya Kumar Mohapatra, Secretary LAVS has formed 60 CBOs and have strengthen them to raise their voices for health rights being operational for last 3 years the organisation has mobilise the community to demand their entitlements.

Activities:

- ❖ Establishment of Village Information Centers
- ❖ Life Skill Education Trainings to Adolescents

- ❖ Social Audit
- ❖ Block Level Interface
- ❖ Janasambad

Achievements

- ❖ Establishment of 70 numbers of village information centers (V.I.C)
- ❖ Availability of different types of application forms of Government at the V.I.C
- ❖ 16 numbers of Social Audits have been organized to review the health programmes by the community
- ❖ 9 numbers of Block level interfaces have been organized to sensitize all the block level

officials from different line department as well as elected Panchayat Raj Institution members

- ❖ Two numbers of Janasambad were organized to provide a platform to the people to present their grievances
- ❖ 10 numbers of training were organized to impart life skill education to adolescent girls
- ❖ In all the 60 villages of Jharsuguda one Mahila Mandal and one Balika Mandal has been formed in each village
- ❖ One annual reflection and planning meeting of network partners conducted
- ? 6 numbers of files put under RTI

CHAPTER IV PHAILIN REPOSE

Based on the need assessment findings and recommendation of District administration OVHA planned to implement relief operations in Phailin affected areas in Chikiti and Rangeilunda blocks under Ganjam District in Odisha.

In Chikiti block we worked with our member organisation CARE. With the leadership of Mr Jagarnath Padhee Secretary CARE we could accomplish the relief work smoothly and the really affected people could get the relief materials as well as health services soon after the cyclone.

Similarly Mr Brundaban Panda, secretary of GPSS, Ganjam identified the Rangeilunda Block as one of the worst affected block as some villages were not even touched after the cyclone. We worked with the volunteers of GPSS in providing immediate health care as well as distributed relief and education materials in the affected area of Rangeilunda block.

It is worthwhile to mention here that none of our

member organisations charged any administrative expenses while working in the affected area and all works contributed by them are purely voluntary.

Primary stakeholders of the relief operation:

Though entire community in the operational area was benefited from the proposed initiatives, the primary stakeholders during the relief operation identified as:

- ◆ Vulnerable families like women headed family, single widow and widow with small children, severely affected family, mental and physical disable person, pregnant women, old aged persons with no family support,
- ◆ School students who lost their study materials
- ◆ Fishermen communities whose fishing boats and nets are damaged
- ◆ Artisans
- ◆ Marginal farmers whose crops and vegetables are damaged
- ◆ Persons suffering from illness.

Materials provided in relief packet, student kit and school kit/play materials

Relief packet (400 packets)	Two blanket, one torch light with battery, two soaps.
Student kit (3372 packets)	4 Note Books, Pen, Pencil, colour pencil (1 Packet), rubber, sharpener
School kit/Play materials (30 packets)	Dori(1), Map (8 nos.), Chart (6 nos.), volley ball with net, badminton racket(4) with net, ring ball(2), skipping rope(6).

Distribution of relief materials (Details of villages and number of beneficiaries)

Number of villages covered in Chikiti and Rangeilunda Blocks of Ganjam District.	No. Of family provided relief materials
3	400

Distribution of student's kit & School kit/play materials
(Number of schools with number of students provided kit)

Number schools where student kits were provided in Chikiti and Rangeilunda Blocks of Ganjam District.	No. Of students provided kit	Number schools where were School kit/play materials provided in Chikiti and Rangeilunda Blocks of Ganjam District.

CHAPTER- V URBAN NGO SCHEME

In Bhubaneswar city , OVHA was appointed as Urban NGO (UNGO) covering a population of 25,000 approximately in Ward No 9,11 & 15.OVHA has a OPD in Panda Park Basti of Niladri Vihar. This programme is being run with the support of NHM to bring health awareness in the community and in advocacy mode with the service providers to render effective services.

Achievements:

CHAPTER –VI HEALTH CARE CENTER

The Niladri Vihar slum named as Panda Park Basti is having a population of 37000. Most of these 7500 house hold , the single earning member of the family is a daily wager and earns Rs 3000.00 in a month and spends for five members of his family. Most of his earning is spent on food. For education & health, they do not have any money left over.

The Government health facility is around 12 KMs away from this area. The better off people living in this area can afford to get the private health services being provide by the private service providers. But the

poor does not have any access at the time of need. They ignore the health problem initially and when it goes acute, they remain helpless and leave it to God.

OVHA with the support of Swiss Heidi Foundation (SHF) has started constructing a Health Care Centre by constructing a building and equipping it with instruments to render effective health services to the slum dwellers in their need thus saving them from dangerous situation. OVHA's doctor can aware, treat and refer so that promotive, preventive and curative measures can be taken for slum dwellers.

CHAPTER - VII HEALTH OF URBAN POOR

The city Demonstration Programme, HUP is implemented by OVHA from October-2011 with the support of USAID through PFI. A team of 15 staffs have been engaged for the smooth implementation of the Project including 2 project coordinators, 11 cluster coordinators, 1 accountant and 1 data entry operator.

Vision:

“A responsive, functional and sustainable health system that provides need based affordable and accessible quality health care, improved water, sanitation and hygiene for urban poor in eight states.

Goal:

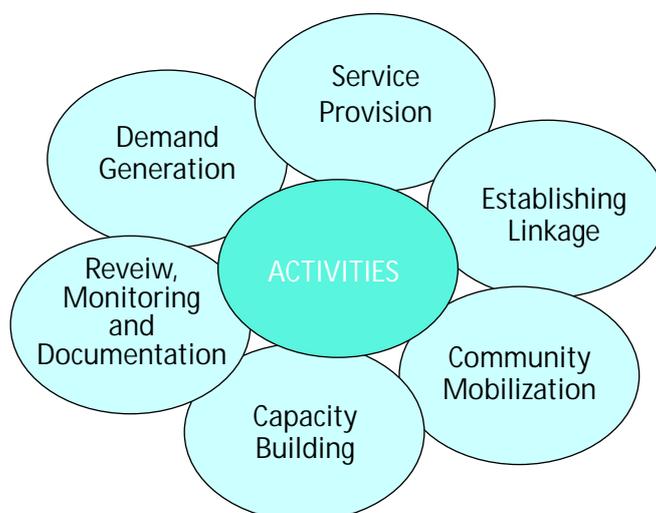

“To improve the health status of urban poor by adopting effective, efficient and sustainable strategic intervention approaches, adopting the principle of convergence of the various development programmes.

Objectives:

- ? Provide quality technical assistance to the GOI, states and cities for effective implementation of the proposed National Urban Health Mission (NRHM) or ongoing Urban Health Component of the NRHM
- ? Expand partnership in Urban health including engaging the commercial sector in PPP activities
- ? Promote the convergence of different GOI urban health and development efforts.
- ? Strengthen urban planning initiatives by the state through evidence based city level demonstration and learning efforts

Area of Intervention and Population covered

- ? Among all the Partner Organisations of PFI under Health for Urban Poor (HUP) Project our OVHA is working in maximum number of slums i.e. 42 slums including 16 slums from UHC areas and 26 slums from non UHC areas
- ? Total 50000 populations and 10000 house hold covered

Achievement so far

- ◆ 4792 eligible couple have been tracked and encouraged to adopt modern contra septic major for birth spacing
- ◆ 594 lactating mothers and 670 pregnant women were tracked and counseled on regular immunization, benefits of immunization, exclusive breast feeding, complimentary feeding colostrums feeding, about THR and health and hygiene.
- ◆ Every month MAS members were trained on different health and hygiene issue. Now these members are actively involved in community mobilization on health and hygiene issue.
- ◆ 3rd round house hold survey has been completed in all 42 slums.
- ◆ The world breast feeding week has been observed in two slums - Dhirkuti sahi and Panda Park. under healthy baby show about 150 baby were checked their health status under the indicator immunization, colostrums feeding, complementary feeding, weight etc.
- ◆ World Health Day was observed in two areas - One in Saliasahi and another in Chandra sekharpur. Since the theme of the day was Hypertension, blood pressure check up camp was organized at both the areas .
- ◆ 6 programs have been conducted in 6 different schools on wash issue by the help of magic show.
- ◆ special immunization camp organized at HK Nagar & Rickshaw colony
- ◆ 4 street play programs have been organized

CHAPTER VIII MALARIA PROGRAMME

Malaria is one of the major diseases undermining the health of vulnerable communities in the state. Malaria Programme of OVHA is a VHAI supported World Bank Project.

Aims:

To provide effective services to plan and implement social mobilization and delivery of timely and appropriate preventive and curative services for malaria control in identified endemic areas.

Objectives:

- ◆ Strengthening the national control programme through capacity building of health volunteers, peripheral health workers, getting real time feedback on services and logistics from affected communities
- ◆ Mobilizing community members on the use of LLINs and acceptance of IRS
- ◆ Advocating with different groups to gain political commitment and cooperation for malaria control amongst vulnerable communities
- ◆ Integrate malaria control with other health and development programmes

Area of Intervention:

- ◆ The Project covers 3 districts of Odisha i.e., Rayagada (Kashipur Block), Malkangiri (Kudmulguma Block) and Kalahandi (Thuamul Rampur Block).

Achievements

- ◆ Village meetings among villagers including PRI members, school children, Nayaks, Disharis, mothers, etc regarding malaria on regular basis
- ◆ Monthly staff meeting is being carried out to discuss monthly progress and to chalk out action plan for the coming month
- ◆ Training of ASHAs
- ◆ Involvement in other National health Programmes

CHAPTER IX

CENTRE OF EXCELLENCE IN ALCOHOL CONTROL (CoE-AC)

Under the project CoE-AC OVHA is responsible to carry out the activities i.e. Official Meetings and monitoring the progress of excise laws in Odisha. This Project has been undertaken by PHFI with the support of Swedish International Development Agency.

Objective:

To create an enabling environment for alcohol control through advocacy measures and to check the enforcement levels of the liquor control laws in the state.

Activities:

- ◆ Conduct one on one meetings with Law enforcement officers tackling alcohol issues (excise, customs, police, transport, social justice and as applicable) to procure state level data on alcohol.
- ◆?Collection and collation of State Excise Act and Policy violations under the categories as mentioned in the monitoring tool.
- ◆?The monitoring of violations would be conducted through observations and recorded.

Achievements:

A report has been released on, "Alcohol marketing and regulatory policy environment in India" on 26th November 2013 at New Delhi.

CHAPTER X

REDUCTION OF MALNOURISHED CHILDREN BY STRENGTHENING OF VILLAGE HEALTH AND NUTRITION DAY (VHND)

With the support of Avantha Foundation OVHA is working in the six GPs (Adri, Gopinathpur, Talanagi, Mahulpatna, Maligaon & Padepadar) of Thuamul Rampur Block of Kalahandi district with an objective of reduction of malnourished children in those areas at the end of two years of project period.

Activities

- ◆ Identification and regular follow up of malnourished children
- ◆ Sensitizing the mothers focusing on cause and effect of malnourishment on children.
- ◆ Capacity building of ASHAs and AWWs.
- ◆ Strengthening the community monitoring system by sensitizing the members of the Rogi Kalyan Samiti and Gaon Kalyan Samiti
- ◆ Establishment of referral system and ambulance service
- ◆ Provision of medical care
- ◆ Establishing linkage with Government Programmes

CHAPTER XI AXSHYA INDIA GLOBAL FUND TB PROJECT

The TB Project is being implemented in three districts i.e., Khurda, Puri and Kandhamal by OVHA supported by Lepa Society.

The following member organisations also work with OVHA in these three districts:

Network partners

- ? MAHIMAS- This woman headed organisation is working in Khorda district.
- ? SAHARA- is working in Kandhamal district

In Puri district OVHA is working with 3 member organisations, such as:

- ? BAKSC
- ? RWI
- ? ALKK

Achievements:

- ◆ Training to health staff on soft skills and Interpersonal skills
- ◆ TB Forum Meeting
- ◆ Capacity Building of CBOs on OD and Leadership
- ◆ Sensitization of Rural health Care Providers on RNTCP
- ◆ Quarterly Review meeting of CBO / NGO / RHCPs with DTO
- ◆ Joint meeting of ICTC and DMC
- ◆ Sputum Collection and Transportation
- ◆ TB awareness meeting with GKS & other community groups

CHAPTER XII

SMILE-TWIN-e-LEARNING PROJECT

Objective:

Changing lives of urban-poor (adolescent youths) who belong to under privileged category of the society. OVHA has taken the opportunity to work with the youths who are educated up to +2 and extended support to them so that they can continue their education. This scope brings smile on the face of the youths once more. They are given the required education as per need of time like computer, spoken English, basic management, retail management and other education on HIV/AIDS. This type of education has not only helped the youths to get jobs but also improved their capacity for negotiation.

Target groups:

Any urban disadvantaged youth (under the age of 21 and over 14) with either formal or non-formal education providing that they have to pass the interview test

This includes especially women in reproductive age group, adolescents (girls & boys) of the general population.

Achievements at a glance:

Session 2013 – 2014							
Start Date: 15.4.2013				End Date: 16.4.2014			
Student Enrolled - 84		Pass Out – 52		Drop Out – 32		Placement Status -24	
Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls
54	30	36	16	22	10	18	6

Smile-Twin-e-Learning Project brought smile on the face of Sasmita

Sashmita Das belongs to a poor family of Hirapur village. She lives with her parents, 3 sisters & 2 brothers. Her father is a farmer and mother is a housewife. After completion of her graduation she did not get any job and this. The family's poor economic status created harassment to her. Sashmita needed a service badly. Her home is 5 km away from the study centre. One day she heard from her friend about the free education facility of IT & MANAGEMENT TRAINING and joined OVHA STUDY CENTER(e-learning training centre) supported by Smile Foundation, New Delhi. She worked hard and attended the training sincerely after completion of her study. She appeared an interview in a micro finance company (Arnnapur Mission) in which she was selected. She is currently working as data entry operator in Arnnapurna Mission on contractual basis and getting a salary of Rs. 4000/- per month. She is very happy that she could able to reduce the burden of her father to a great extent. She is also saving some amount of her salary for her future life. She expresses her gratitude to OVHA and Smile Foundation for helping her to make her dream came true.

CHAPTER XIII

OBSERVATION OF WORLD BREAST FEEDING WEEK

The theme of the year i.e., “Breastfeeding Support: Close to Mothers” can clearly be depicted by drawing the following Circle of Support for Mothers and Children.

Support for breastfeeding illustrates the potential influences on a mother's decision to breastfeed and to have a positive breastfeeding experience. The Circles of Support are: Family and Social Network, Healthcare, Workplace and Employment, Government/ Legislation and Response to Crisis or Emergency, all surrounding women in the center circle.

Odisha Voluntary Health Association (OVHA) along with State Institute of Health and Family Welfare (SIHFW), Odisha has undertaken an effort to aware the public especially pregnant mothers of the Niladri Vihar Basti area of Bhubaneswar to improve newborn health.

Activities:

- ? Sensitization Programme
- ? IPC (Inter Personal Communication)
- ? Folk Show
- ? Miking

Achievements:

- ? 20 would be mothers were sensitized on how to take care of themselves and also of their child whom they will give birth
- ? 50 numbers of participants participated in the rally giving various slogans and showing the banner
- ? 50 numbers of lactating mothers of different slums of Bhubaneswar were told about the importance of exclusive breast feeding
- ? Folk show was organized at Niladri Vihar Basti in Bhubaneswar involving the members from local community focusing on the importance of breast feeding
- ? Miking was carried out for seven days in the Niladri Vihar Basti area to promote the practice of exclusive breast feeding

CHAPTER XIV MEGA HEALTH CAMP

Swiss Haidi Foundation (SHF), SOVA and OVHA together organized a one day mega health camp at Srimula, PHC (N) in Dhenkanal District. In this camp 1173 patients treated for different ailments. In this camp specialist from different subjects like Medicine, O & G, Pediatric and Dentistry participated.

A mobile health van was flagged off by Sri Golakbihari Paikray, ADMO, PH, Dhenkanal. This van was procured from the support of BASAID, Switzerland. OVHA undertook a diabetics screening camp where 140 patients were screened. A blood donation camp was also organized by the District Red Cross Society, where 65 units were collected. This camp was organized

under the leadership of Mr. Udayendu Mishra, Secretary of SOVA (GB member of OVHA) and his team of volunteers. It was a grand success.

Extra-ordinary Achievement:

Our Member organization SOVA, Dhenkanal has received the prestigious "National Youth Award" for its outstanding performance in social development sector with particular focus to leadership development among rural youth in Dhenkanal district of Odisha by the Ministry of Youth Affairs & Sports, Govt. of India for the year 2012-13. Mr. Udayendu Mishra, Director and Mr. Lalit Mohan Nayak, EC member of SOVA jointly received the award and felicitation on the eve of celebration of 18th "National Youth Festival" held at Ludhiana (from 12-16 January 2014 during the birth anniversary of Swami Vivekananda) by Sri Jitendra Singh, Honorable Minister of State, (Independent charge), Youth Affairs and Sports, Govt. of India in presence of Sri Manish Tiwari, Honorable Minister, Information and Broadcasting, Govt. of India, Sri Sukhbinder Singh Badal, Deputy Chief Minister of Punjab and other Higher level dignitaries and invited guests.

It is also a matter of great achievement that SOVA has been nominated as the member of "National Youth Council" under the Ministry of Youth Affairs & Sports, Govt of India.

AUDITOR' REPORT

We have audited the attached Consolidated Balance Sheet of **Odisha Voluntary Health Association, 165, Lokaswasthya Bhawan, Laxmisagar, Bhubaneswar, Odisha** at 31st March 2014 and also the Receipt and Payment A/c & Income & Expenditure Account for the Year ending on that date annexedto. These financial Statements are the responsibility of the Society. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of materials misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An Audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report that:

1. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
2. In our opinion proper books of accounts as required by law have been kept by the Society so far as appears from our examination of those books.
3. The Balance sheets, Receipt & Payments A/c & Income & Expenditure Accounts dealt with by this report are in agreement with the books of accounts.
4. In our opinion, the Balance Sheet, Receipt & Payment A/c & Income & Expenditure Accounts dealt with by this report comply with the accounting standards.
5. In our opinion and to the best of our information and according to the explanations given to us, the said accounts given the information required by law in the manner so required and given a true and fair view in conformity with the accounting principles generally accepted in India.
 - a. In the case of the Balance Sheet, of the state of affairs of the Society as at 31st march 2014.

AND

- b. In the case of the Income & Expenditure Accounts, of the Surplus/ Deficit for the year ended on that date.
